

SFI FOUNDATION

15708 Pomerado Road Suite N208
Poway, CA 92064

The SFI Foundation, Inc. (SFI), a non-profit organization specializing in motorsports safety equipment testing and certification, is seeking a Test Technician to join our team at our laboratory facility in South Poway.

As a Test Technician, you will be integral in ensuring the safety and quality of motorsports equipment. Your responsibilities will include:

- Conducting Flame testing on driver suits and other personal safety equipment with specialized testing equipment.
- Setting up and calibrating test equipment.
- Accurately measuring materials.
- Performing quality control inspections.
- Qualifying various safety items, including suits, shoes, helmets, gloves, undergarments, and head and neck restraint devices.
- Performing general housekeeping and maintenance

This position requires a detail-oriented individual with a strong work ethic and a willingness to learn. Experience in a laboratory or testing environment is preferred but not required. We will provide comprehensive training for the successful candidate.

This is a full-time position, working 4 ½ days per week offering a competitive hourly wage of \$25 - \$35, commensurate with experience, plus a comprehensive benefits package.

Interested candidates are encouraged to submit their resumes to lab@sfifoundation.com.
